

For the 2024-25 NYS Budget:

**We request the Neighborhood Preservation Program (NPP)  
be funded at \$18.34M.**

**Neighborhood Preservation Program (NPP)**

- ▶ Community-based not-for-profit corporations known as **Neighborhood Preservation Companies (NPCs)** obtain critical funding through the NPP program.
- ▶ **NPCs are local assistance providers**, providing a broad range of preservation and revitalization activities.
- ▶ **Funding is crucial for these companies' survival** and in turn, survival of many neighborhoods and people.
- ▶ **Families and individuals being assisted are at record numbers** with the housing affordability crisis.
- ▶ NPCs are often the **last line of support** before living in a shelter or on the street.
- ▶ **Funding for NPCs drives economic growth.** NPP funds leveraged other funding sources at rate of \$13 for every NPP dollar appropriated.

*Flat funding  
is a cut  
in funding!*

Our ask includes a 4% cost of living increase over the NPP approved 2023-24 NYS budget of \$17.633M.  
(This includes a 4% increase in the carve-out for the Coalition.)

To maintain and expand services provided to NPCs:

**We respectfully request a carve-out of \$260,000,  
an increase of \$10,000 from last year.**

**MISSION:**

The Neighborhood Preservation Coalition will unify, educate, empower, and strengthen community organizations in their provision of affordable housing and community revitalization activities.

**Neighborhood Preservation Coalition of NYS**

Essential services include direct technical service to member NPCs, as well as training, geographic service area certification, data-gathering and analysis. Advocacy day and a 3-day annual conference are planned and organized by the Coalition. Weekly email and a monthly newsletter, in addition to other digital and print communications are provided to support essential services and events.
