

For the 2026-27 NYS Budget:

**We request the Neighborhood Preservation Program (NPP)
be funded at \$20.68M.**

Neighborhood Preservation Program (NPP)

- Community-based not-for-profit corporations known as **Neighborhood Preservation Companies (NPCs)** obtain critical funding through the NPP program.
- **NPCs are local assistance providers**, providing a broad range of preservation and revitalization activities.
- **Funding is crucial for these companies' survival** and in turn, survival of many neighborhoods and people.
- **Families and individuals being assisted are at record numbers** with the housing affordability crisis. NPCs are often the **last line of support** before living in a shelter or on the street.
- **Funding for NPCs drives economic growth**. NPP funds leveraged other funding sources at rate of \$10 for every NPP dollar appropriated.

Our ask **includes a 10% increase** to cover **continued inflation** and **the ever growing need of our services due to the expanding housing crisis**, over the NPP approved 2025-26 NYS budget of \$18.8M.

To maintain and expand services provided to NPCs:

**We respectfully request a carve-out of \$275,000,
an increase of \$25,000 from last year.**

MISSION:

The Neighborhood Preservation
Coalition will unify, educate, empower
and strengthen community
organizations in their provision of
affordable housing and community
revitalization activities

Neighborhood Preservation Coalition of NYS

The Coalition provides one-on-one technical assistance to the 130 Neighborhood Preservation Companies across New York State. Services such as training, geographic information services, and data-gathering & analysis are crucial to help members create detailed accountability reports. Additionally, the Coalition publishes weekly eNews, monthly newsletters, and special reports to keep members informed and engaged. To encourage collaboration, Regional MeetUp facilitation improves networking among the ten member regions. The annual three-day Conference, organized and produced by the Coalition, builds upon and solidifies the training needs of individual NPCs, strengthening our collective voice to achieve our mission.
